Pursuant to 35 U.S.C. §§ 254 and 255, and 37 C.F.R. §§ 1.322 and 1.323, this is a request for a Certificate of Correction. Some of the mistakes identified in the appended Form are of a clerical or typographical nature, or of minor character, and resulted from an error made in good faith by patentee. Specifically, the duplicative numbering in Table 8 is clerical in nature and of minor character since it is clear that each compound is distinct.

Other of the mistakes occurred through the fault of the Patent Office, as clearly disclosed by the records of the application which matured into this patent. Specifically, the requested correction to claim 9 is clearly disclosed in the Rule 1.312 Amendment filed November 13, 2006.

A check in the amount of \$100 (the fee set forth in 37 C.F.R. § 1.20(a)) is attached. Should a check not be appended or should any additional fees be needed, authorization is hereby given to charge any fees due in connection with the filing of this request to Deposit Account 06-0916.
